

March 28, 1974

SPEAKER: Senator Chambers.

SENATOR CHAMBERS: A point of order on the last action that was taken. That motion was to adjourn until 10:00 Monday so then since the motion failed doesn't everything in that motion fall with it?

SPEAKER: I would consider that an amendment in reality amendment to the previous motion. Senator Chambers this body voted, the majority of those voting to adjourn until 9:00 a.m. Monday.

SENATOR CHAMBERS: Whatever time, I'm not quarrelling with that..

SPEAKER: To 10:00 a.m. Monday that is the way the majority of the body voted. As far as I am concerned that stands.

SENATOR CHAMBERS: If a majority decides to vote another way later on that would prevail, right?

SPEAKER: Sure, Senator Cavanaugh.

SENATOR CAVANAUGH: The previous Chair ruled that at 3:00 we would take up LB302 and as a point of order I would request to know if the present Chair is going to follow the previous Chair's ruling.

CHAIR: The Chair certainly is. Senator Syas.

SENATOR CAVANAUGH: Then it is 3:00.

SENATOR SYAS: I would just like to ask if I could have with my committee about 15 minutes and see if we can do something with these bills over in the east chamber. I would like to be excused for a little while and see if I can get something done.

SPEAKER: Yes, you are excused until you get it done.

SENATOR SYAS: I hope so, I don't know.

SPEAKER: It is alright if it takes all day.

SENATOR SYAS: Alright, thank you.

SPEAKER: Alright Senator Cavanaugh, has reminded the Chair and Senator Kelly we did so vote, to take up LB302 at 3:00 and it is now slightly past 3:00 so we will take up 302. I Have no choice about that Senator Kelly, that was the action of the body.

SENATOR KELLY: Mr. Speaker, my feelings are in no way hurt 953 has been setting there since February 28, I'm in no hurry.

SPEAKER: Clerk will read.

CLERK: Read.

SPEAKER: Senator Marvel.
